If you must leave your seat, please do so before or after a dance, not during so as not to distract the dancers and to be courteous to those around you.
- Before leaving, all students must pick up their dressing rooms, do not leave bobby pins on the floor. The City of Concord has made this mandatory to rent the theater space. Room supervisors please make sure your kids do this.
- There is to be no eating/drinking in the theater or dressing rooms at any time, however water bottles are acceptable - to do so will result in the student not being able to take part in the recital. This rule includes family members, as well. No gum chewing on the premises. These rules will be strictly enforced
